### *Systematic review and meta-analysis of diagnostic imaging technologies*

In the October 2016 issue of *Quantitative Imaging in Medicine and Surgery (QIMS)*, the paper “*Systematic review and meta-analysis of diagnostic imaging technologies*” 2016;6(5):615-618, Wáng YX (1), was published with the word ‘Systematic’ misspelled as ‘Systemic’ in a number of places, including in the title. We are sorry for the oversight.

The publisher regrets the error.
